

TRINITY

Linda Currin

Verse

1. Lord of all simplicity,  
 Calm within complexity,  
 Deeper than the mind can see,  
 Truth revealed in mystery.

*A harmony, a unity  
 One whole and holy Trinity  
 The Loved, the Lover and the Love,  
 The Cross, the Crown, the Holy Dove.*

2. Lion and Lamb and gentle Might  
 Giver, Given, Gift of light,  
 Timeless Lord of day and night,  
 Stillness teeming rich with life.

*Chorus*

(Bridge)  
 And all around – your glory  
 The complex in the whole  
 Our human life – the story  
 Of body, mind and soul.  
 The rainbow in the white light,  
 The sounds that form the word,  
 The tune that shapes the music  
 The notes that lift the chord.

3. Christ, Creator, Comforter!  
 Friend, Forgiver, Flame of fire!  
 Living Gladness, Glory, Grace!  
 Justice, Joy and Gentleness!

*Chorus*
